President's Message

We are proud to present our Report to the Community highlighting our efforts and achievements in 2011. This was a year of tremendous growth and exciting opportunities for the TCSD Foundation. In addition to funding grants in excess of \$17,200, we were fortunate to be able to continue to fund our endowment for the future. Our year was highlighted by the expansion of the Trumansburg Kids Explore & Discover program to the Pre-K and 6th grade, and the addition of a number of enthusiastic volunteers to our team, including two student representatives.

The TCSD Foundation's contributions to our community and education of our students would not be possible without the efforts of many volunteers, generous donors and the support of the Trumansburg Central School District. We look forward to continuing our work to enhance the educational opportunities of students throughout our community.

Hayden R. Brainard Jr.

2011 Financial Report

In 2011 we raised a total of \$38,381.63 from individuals, businesses and other charitable organizations in support of our efforts. Some of our income was received in the form of in-kind goods and services that were critical to our success. These funds were used to expand the Trumansburg Kids Explore & Discover program and to fund 16 other grants exceeding \$17,000.

Our campaign in 2012 will be focused on raising funds to increase awards for teacher grants, expand the Trumansburg Kids Explore & Discover program to include sites in our community and increase our endowment to support our efforts to enhance the education of students throughout our school district for the future.

Please visit our website (www.tcsdfoundation.org) for more information about our grant recipients, business partners, Trumansburg Kids Explore & Discover program and other ways you can support the efforts of the TCSDF Foundation.
